ASK WOMAN ON BOARD

Third District Will Hold Big
Gathering in the Zinc
Field in May.

Delegation condemning the proposed removal of the girls' Industrial Home from its present location in Oklahoma City were unanimous in adopting a resolution at their annual meeting held yesterday by the Women's Federation of Oklahoma, representing 200 women visiting in session at the home of Mrs. W. N. Hill, district president.

Reasons for the action were ex-pressed as follows: "We believe that the removal of the girls' Industrial Home from its present location would be detrimental to the best interests here and education of the unfortunate, and petition members of the legislature to amend the present law so as to prevent such a removal."

At the same meeting held last fall, members of the Oklahoma Federation of Women's Clubs voted to act as big sisters to the girls in the industrial home, and in fulfillment of this promise, women of the Third district, which includes Tulsa, sent Christmas boxes to the girls and have endeavored in other ways to make life simpler for them. The sentiment of the women of the Third district is strongly against the removal of the school as unnecessary and harmful.

Citizenship and Americanization will be the subject stressed at the convention of the Third district in Muskogee March 5, at which it was decided at the meeting of the executive board yesterday: "Public health recreation in all its phases, child welfare, and art will also have prominent place in the program. The annual election of officers will also occur."

Oklahoma is divided into five districts under the organization of the Oklahoma Federation of Women's Clubs. Officers of the Third district are: President, Mrs. W. N. Hill, Tulsa; vice president Mrs. J. Q. Adams, Claremore; recording secretary, Mrs. E. B. Butts, Muskogee; corresponding secretary, Mrs. J. W. Gump, Tulsa; treasurer, Mrs. J. W. Gump, Pawhuska; auditor, Mrs. J. H. McMurrow, Bartlesville; and parliamentarian, Mrs. J. N. Allen, Sapulpa.

INJUNCTION REFUSED

Court Finds Proposed Construction of Public Garage No Injury to Abutting Residence Property.

Allowing the construction of a public garage on South Cheyenne avenue to be continued, the restraining order asked in district court by D. W. Holmes against the city of Tulsa and Tom Clark, building inspector, was denied yesterday by Judge Edmund S. Cole. An appeal was taken.

Holmes, owner of a residence adjoining the property upon which the garage is to be built, asked the court to restrain the erection of the building on the grounds that it will cause depreciation of the residence property owned and occupied by Holmes.

The court held that the erection of the building would not in itself constitute a nuisance and the petition was denied.

INVITE ALL YOUNG PEOPLE

Tulsa Y. W. C. A. Gives Young Women "Parlor Hour."

Instead of having a formal program at the home hour at the Y. W. C. A. Sunday afternoon, the parlors, reading and clubrooms will be thrown open so that young people of the city, especially young women and their men friends, may be welcome. Many of the young women employed in Tulsa have no parlor facilities at their rooming houses and this will give them a chance to entertain their friends of either sex. The Y. W. c. members on the third floor of the administration building will be present to answer all questions and parties of young folk will be welcome to the use of the clubroom kitchenette as well as the use of pianos and magazines and easy chairs.

They will be served "all simple" as defined, number of the ladies employed selling all dispensers.

Say They Didn't Steal Trees.

S. H. Martin and Charlie Jones charged with stealing young fruit trees from the Mount Hope and surrounding city lots, were sentenced to six months in jail yesterday before Justice H. J. Gray and were committed to jail under bonds of \$500 for preliminary hearing next Tuesday.
